MoIC/SEC-02/2021-2022/ 159

30th March 2022

NOTIFICATION

Subject: Internet Bandwidth Allocation

This is to inform all budgetary bodies that the Department of Information Technology and Telecom (DITT), Ministry of Information and Communications (MoIC), has successfully completed the negotiations under the Internet bandwidth demand aggregation initiative with two Internet Service Providers (ISP), namely Bhutan Telecom Corporation Limited and Tashi Infocomm Limited, to revise the Internet tariff for government agencies connected to the Government Intranet or the Government Initiated Network (GIN).

The prescribed bandwidth for the agencies shared with the BTCL and TICL have been determined by the DITT based on the number of devices in 483 schools with the Ministry of Education (MoE) and other stakeholders. However, it has been noted that some of the agencies have already started to upgrade the Internet bandwidth beyond the prescribed bandwidth.

In order to benefit from the demand aggregation to support additional bandwidth required in schools, the Ministry of Finance and the Ministry of Information and Communications would like to notify all the budgetary agencies to avoid any unplanned upgrade of Internet bandwidth. Should it become necessary to increase the bandwidth, all budgetary agencies are requested to route their communication and coordinate with the dealing officers, Mr. Karma Sangay (ksangay@dit.gov.bt) or Mr. Pema Dhendup (pdhendup@dit.gov.bt) of DITT.

The list of bandwidth allocation is enclosed for kind reference. For further clarification kindly contact the Infrastructure Division, DITT at 02-338295.

Issued for strict compliance with immediate effect.

[Phuntsho Tobgay]

Secretary,

Ministry of Information and Communications

[Kesang Deki]

Secretary,

Ministry of Finance
